

MILL CREEK METROPARKS COMMUNITY ENGAGEMENT COMMITTEE

MINUTES OF MAY 5, 2017

PRESENT: James Bolchalk, Ed Howley, Phyllis Johnson, Frank Krygowski, Anne Liller, Pat Rose and staff liaison Jaime Yohman. Excused: Rick Shale.

The meeting began at 10:15am in classroom A of the MetroParks Farm. We reviewed the previous meeting's minutes, and Krygowski made a motion to accept the minutes, and the motion passed unanimously.

Yohman notified us that our chairperson, Rick Shale, is taking a leave of absence and will miss the next few meetings. He will continue as chairperson, but we will choose an interim chair at our next scheduled meeting.

Yohman informed us that her presentation to the Board of Park Commissioners went well. Her presentation discussed her duties concerning the volunteers and some of the changes that have been implemented.

Next, Phyllis Johnson, our newest committee member, introduced herself.

Yohman notified us that on Monday, May 8th at 10am, volunteers will begin planting 600 trees in the Mill Creek Preserve.

Agenda items for our next meeting will include choosing an interim chairperson, insurance liability coverage and discussion of cycling/bollard information to be presented by Krygowski.

Meeting adjourned at 11:15am. Next meeting is scheduled for Friday, June 2, 10:30am, in Classroom A.
