

NATURE EDUCATION COMMITTEE Approved April 26,2017

Meeting called to order by Jeff at 6:30 pm. Members present are Laurel, Lauren, Nancy, Nick, Jeff, Kat and Jan.Carol V. of MCMP.

Minutes of the March meeting were approved by Kat, seconded by Nick and to be sent in. Jeff passed out a list of funds available to MCMP since 2000 to 2015. Kat passed around an activities chart for the Park from 2015 till 2017. School programs are not aligned with what MCMP offers; so we do not meet the standards. Kat talked with the C.O. of Youngstown schools in May about the program. Carol will get monthly activities for 2014, 15, and 16. We should target seniors and special education projects; Pop-Up programs, walking trails.

Lauren passed out his ideas of Nature Education for all to read.
Mandy would be willing to come to talk with us if we would give her two dates.
Next meeting would be May 24 or 31, or June 7 6:30 pm Wednesday at the Farm.
Meeting adjourned at 8:05 by Kat, seconded by Nick , motion passed.

Respectfully submitted
Jan Hubbard
