MILL CREEK METROPARKS

MetroMutts

*Membership program for dogs
and their human companions*

MetroMutts is not a dog park or an off-leash area in the MetroParks. It is a membership program bringing together dogs and their dog-loving humans through special programs.

Dogs that attend the MetroMutts programs and hikes must be leashed (6' max), non-aggressive, and under owner's control at all times.

Family members and friends are welcome to participate in MetroMutts programs, but special events, gifts, and discounts are for members only.
