Introduction

In an effort to efficiently fulfill its mission Mill Creek MetroParks is seeking proposals for the newly renovated Wick Recreation Center's food and beverage operation. The prospective vendor will oversee the food operation at the Wick Recreation Area which includes the Wick Snack Hut and recreational leagues food & beverage requests. The Wick Snack Hut food and beverage operation encompasses multiple children's playground areas, wet splash pad in the summer months, Par-3 golf course, tennis courts, volleyball courts, baseball fields, softball fields, dek hockey and a small banquet/party room. The food & beverage operations will commence during the in-season recreation months (May through September) as well as for the outdoor sled hill during the off-season months (December through March) when weather conditions are favorable for winter recreation. In addition, the food and beverage operator will have the option to help accommodate the Morley concert series food and beverage needs. There is also a potential for additional food and beverage offerings for pavilion picnic party rentals during due in-season months. Please see facility location map below.

General Information

Completed proposals for all services required as outlined within the request for proposal are to be submitted in .pdf format via e-mail to btolnar@millcreekmetroparks.org by 4:30 pm local time on November 30, 2022.

Mill Creek MetroParks is not responsible for any cost incurred by prospective consultants/companies prior to the award and signing of a contract for the requested services. Mill Creek MetroParks reserves the right to award the total proposal, reject any or all proposals in whole or in part and to waive any informalities if, in their judgment, the best interest of Mill Creek MetroParks will be served.

All comments, questions and site visits can be coordinated and scheduled by contacting **Brian Tolnar, Golf Director & Recreation**, via phone: 330-719-2302 or via e-mail at btolnar@millcreekmetroparks.org.
