

Fellows Riverside Gardens

MILL CREEK METROPARKS

More than 30 different garden areas feature the plant collections of this living museum. Connected by over a mile of accessible walkways, visitors have the opportunity to view more than 2,000 types of plants. Display beds and containers are designed and planted with traditional offerings along with the latest trends in horticulture.

Today, this 12-acre free display garden features four seasons of remarkable beauty with diverse and colorful plant displays including roses, seasonal displays of annuals, perennials, and flowering bulbs as well as breathtaking vistas. Fellows Riverside Gardens stands out as Ohio's finest public garden and attracts over 400,000 visitors each year.
