

STATEMENT OF QUALIFICATIONS

Mill Creek MetroParks is requesting general statements of qualifications from professional consultants for design services for the 2016 & 2017 time period. Professional design services include but are not limited to land surveying, landscape architecture, engineering, architecture, geo-technical, archaeological and environmental restoration.

Statements of qualifications are to include a description of firm history, qualifications of principals and key staff, identification of available equipment and facilities, a minimum of three (3) samples of notable park work experience, a minimum of three (3) references and a general statement identifying the firms track record in controlling costs, meeting deadlines and utilizing best management practices as part of their design philosophy. Firms can submit for services that they offer in-house as well as any future partnerships that they would propose for future related project specific proposals.

Interested firms are to submit three (3) copies of their statement of qualifications by 4:30 pm on March 18, 2016 to:

Mill Creek MetroParks
Attn: Director of Planning & Natural Resources
7574 Columbiana-Canfield Rd.
PO Box 596
Canfield, OH 44406
