1. Adopt a policy that all school programs meet State standards
2. Add the word education to the Mission Statement.

Jeff Harvey of the Committee handed out a report with their research other parks’ staffing compared to ours, mission statements, and defining Nature Education.

The Board asked Carol Vigorito, Recreation & Education Director, her opinion of the recommendations. She stated that Education Manager Mandy Smith is currently working on updating and leading the staff to follow State standards. She disagreed that the mission statement needs changed, because it is inclusive, and that a goal in the Strategic Plan is to increase educational programing.

Lee Frey stated that the Board will put the recommendations to a vote at the next Regular Meeting in November.
