Welcome to Fellows Riverside Gardens

Take your time to explore Fellows Riverside Gardens. Use this map to help guide you to special areas of interest and activities. We hope you enjoy your time here at Fellows Riverside Gardens and you return often to visit the Gardens and attend our Special Events.

- 1. **D.D. and Velma Davis Education & Visitor Center** Art gallery, café, history museum, gift shop, horticulture library. Meeting and banquet rooms. Educational classes.
- 2. **Arseny Melnick Observation Tower** View Lake Glacier and the Gardens
- 3. **Beeghly Garden** Cherry trees, potted plants and The Kneeling Girl fountain
- 4. **Watson White Garden** White flowering plants
- 5. **DeYor Concourse** Seasonal displays of bulbs and annuals
- 6. **Schaff-Comita Shade Garden** Plants which thrive in low light, natural and cultivated shade areas
- 7. **Seasonal Celebration Plaza** Sommer Fountain with benches for garden viewing in all directions
- 8. **Muransky Perennial Walk** Colorful perennials, bulbs and shrubs on display throughout the seasons
- 9. **South Terrace and Kidston Pavilion** A unique setting for weddings and events. The view of Lake Glacier is a favorite for photography.
- 10. **Joanne F. Beeghly Rose Garden** Over 1,300 hybrid tea, floribunda and grandiflora roses blooming between June & October
- 11. **Christina’s Garden Labyrinth** Experience the beauty of plants on a personal level
- 12. **English and Miniature Roses** Plantings in raised beds outlined by annuals
- 13. **Herb and Fragrance Garden** Spicy aromas of herbs and sweet scents abound in these spaces
- 14. **Beeghly Gazebo** A popular wedding venue surrounded by beds of old-fashioned roses, daylilies, iris and peonies
- 15. **Narcissus, Rhododendron and Woody Plant Collections** Daffodils, rhododendrons, azaleas, viburnums and native shrubs with attractive foliage, flowers and berries
- 16. **Outdoor Gallery** Exhibit area for art in a natural setting
- 17. **Ohio Woodland Garden** Native Ohio trees, shrubs and shade wildflowers
- 18. **Quarry Garden** Plants and a trail remain after harvesting stone over 100 years ago
- 19. **The Gathering Stones** from the area create seating for discussions and educational opportunities
- 20. **Blue Garden** Blue-leaved hostas, blue-flowering annuals, perennials and bulbs
- 21. **Hillside Garden** Unusual conifers thrive here
- 22. **North Terrace** An urban view of the city of Youngstown. Prominent structures: Youngstown State University’s Beeghly Stadium, Stambaugh Auditorium and St. Elizabeth’s Hospital
- 23. **Heather Garden** Winter-blooming heaths and summer-blooming heathers
- 24. **Trial Garden** Newest varieties of flowering annuals and vegetables on display
- 25. **Beech Collection** Varieties including European and the stately American beech
- 26. **Great Lawn** A gently sloping hill to complement the surrounding trees and colorful beds
- 27. **Seasonal Display Beds** Colorful bulb displays in spring and vibrant annuals through mid-October
- 28. **Long Mall** A lush architectural feature lined with blooms from spring through fall
- 29. **Dahlia Garden** Beautiful blooms of all sizes & colors
- 30. **Family Garden** Whimsical educational planting experiences for the young and young at heart. A showcase for honeybee hives.
- 31. **Parking Lot Beds and Geothermal Fields** Low maintenance and drought resistant plantings. A geothermal field with 42 wells under the pavement that naturally heats and cools the Davis Center.
- 32. **Dry Stream/Surface Water Overflow** Dry stream channels water during heavy rainfall events
- 33. **Horticulture Service Area** Production and grounds operations (no public access)
