Statement of Qualifications

Mill Creek MetroParks is accepting general statements of qualifications from consultants for professional services. Professional services include but are not limited to land surveying, landscape architecture, engineering, architecture, geotechnical, archaeological and environmental surveying and restoration.

Statements of qualifications should include a description of firm history, qualifications of principals and key staff, identification of available equipment and facilities, a minimum of three (3) samples of notable park work experience, a minimum of three (3) references and a general statement identifying the firm’s track record in controlling costs, meeting deadlines and utilizing best management practices as part of its design philosophy. Firms can submit for services that they offer in-house as well as any future partnerships that they would propose for future related project specific proposals.

Interested firms should submit three (3) copies of their statement of qualifications to:

Mill Creek MetroParks  
Attn: Director of Planning & Operations  
7574 Columbiana-Canfield Road  
Canfield, OH 44406
