Mill Creek MetroParks Accepting Proposals for 2021-2023 MetroParks Farm Lease

(Canfield, OH) Mill Creek MetroParks is now accepting proposals for farming operations at the MetroParks Farm located in Canfield, Ohio. Proposals are due by 12:00 pm, Noon on Monday, September 28, 2020. Copies of the required lease agreement forms can be acquired by contacting Aaron Young, Executive Director at 330-702-3000 or aaron@millcreekmetroparks.org .

Submitted proposals must include the following:

- A completed farm lease agreement; including proposed price per acre.
- A copy of the required insurance certificates. (See lease agreement)
- A copy of a current workers compensation certificate.
- A completed statement of qualifications including farming education, experience, certifications, training and memberships.
- A completed list of all farm equipment owned/leased by the submitting party.
- A list of three (3) references from property owners whom have leased farming rights to the submitting party.
- A list of all acreage to be farmed in addition to the MetroParks Farm during the same time period.

Mill Creek MetroParks reserves the right to waive any and all informalities as part of the Farm Lease Proposal Review as the anticipated value does not fall under the parameters of the Ohio Revised Code competitive bidding requirements.

About Mill Creek MetroParks

Mill Creek Park was established in 1891 by Volney Rogers as the first park district in Ohio. In 1989, the diverse lands now known as Mill Creek MetroParks officially became a metropolitan park district, providing visitors of all

ages the opportunity to relish “the gem” of Mahoning County. From the casual visitor to the local explorer, Mill Creek MetroParks offers a natural escape and recreational activities for the enjoyment of all ages.

The mission of Mill Creek MetroParks is to provide park, recreational, educational, and open space facilities of regional significance. In fulfilling this mission, our objectives are to be responsive to community needs; to be environmentally sound; to be adaptable; and to be economically feasible.
