

MILL CREEK'S "LET'S PLAY GOLF YOUNGSTOWN" INITIATIVE

In 2019 the PGA Staff at Mill Creek MetroParks unveiled its "Let's Play Golf Youngstown Initiative" to promote the game of golf for players of all ages and abilities in the Mahoning Valley. The "Let's Play Golf Youngstown Initiative" was designed to increase playing and instructional opportunities in three different categories for beginners, intermediate, and advance levels.

The beginner's division includes instructional opportunities for kids, women, seniors, families, college students and elementary school students.

The intermediate division of the program is designed for kids, women, families, seniors and men who have played the game and are looking to become better at the sport.

The advanced division is open for seasoned players looking to excel at the highest levels.

All programming is promoted on social media and participants asked to promote the initiative with the hashtag #LetsPlayGolfYoungstown. In this player development guide, a star will denote programming geared toward this growth of the game initiative.

Mill Creek's "Let's Play Golf Youngstown" Initiative is Presented by Allstate Insurance - Rocco Nolfi.
