

Statement of Qualifications – Professional Services

Mill Creek MetroParks 2022-2023

Mill Creek MetroParks is currently accepting general statements of qualifications for consultant and professional services. Professional services include but are not limited to land surveying, landscape architecture, engineering, architecture, geotechnical, archaeological, cultural, and environmental assessments and restoration.

Statements of qualifications are to include a description of firm history, qualifications of principals and key staff, identification of available equipment and facilities, a minimum of three (3) samples of notable park work experience, a minimum of three (3) references and a general statement identifying the firms track record in controlling costs, meeting deadlines and utilizing best management practices as part of their design philosophy. Firms can submit for services that they offer in-house as well as any future partnerships that they would propose for future related project specific proposals.

Interested firms should submit three (3) copies of their statement of qualifications to:

Mill Creek MetroParks
Attn: Justin Rogers, Director of Planning & Operations
7574 Columbiana-Canfield Rd.
Canfield, OH 44406

Statements of qualifications are due by **4:30PM on Friday, March 18, 2022.**
