Review of On-Going 2022 Natural Resources Projects

Hemlock Woolly Adelgid

1. Derico shared an update on hemlock woolly adelgid in the Park including increased treatment zones for 2022 (Bears Den and

Cascade Run). Treatments are currently on-going and should be completed in the coming weeks.

2022 Tree Plantings

2. Derico shared the status of multiple tree plantings scheduled for the fall of 2022, including the YSU Legacy Forest partnership at the Collier Preserve and several plantings in Mill Creek Park thanks to a private donation.

Healthy Stream Initiative

3. Derico shared the status of the on-going Healthy Streams Initiative project in Hitchcock/Huntington Woods – the project will be completed the week of 10/10.

Hawkins Marsh Improvements

4. Derico shared plans for future site improvements to the newly acquired Hawkins Marsh which include a parking area, trail improvements, ecological restoration, and educational signage. The MetroParks will be pursuing grant funding through the Clean Ohio Conservation Fund for the project and the Committee offered their support of the project, each signing a letter of support.
