## Field Trips

---

Guided tractor-wagon rides and visits with the animals are scheduled by appointment for 1 - 1 1/2 hour increments. Students are welcome to extend their visit for lunch and hikes. Additional educational activities may be added for small fees to make your experience unique to your needs.

The programs offered by Mill Creek MetroParks Education Department are aligned with Ohio's Learning Standards and Model Curriculum for Science. Visit our website for a current listing of educational programs.

The animal barns are open April and May from 8:30 am - 3:30 pm with extended hours June - October. Group tours are by appointment only.
